Pursuant to the terms and conditions of the Grant/Award, this Authorization:

The Voyage to Excellence Career Academy (VTE) will provide 58 youth ages 16 to 21 year old from Chugach, Lake and Peninsula, and Bering Strait School Districts as well as communities that are served by Northwestern Alaska Career and Technical Education Center (NACTEC) with the following opportunities:

- National Center for Construction Education Research (NCCER) Core Curriculum - six students will have the opportunity to work through the NCCER curriculum modules while using hands-on applied reading, writing and math construction/trades activities. Up to three dual college credits will be offered with this strand.
- ServeSafe and Culinary Arts Curriculum - 12 students will learn how to handle food safely, including food preparation, personal hygiene, purchasing and storage, cooking and serving, cleaning and sanitizing, and overall food safety regulations. Up to four dual college credits will be offered for this strand. All activities in this strand will be hands-on applied reading, writing, and math.
- Employability Skills Training - In all sessions, students will gain skills in personal development, life skills, social development, urban familiarization, and career development.
- The Excel Summer Camp will offer all three sessions in an accelerated format for 40 students.
